Instructions:

To appeal the denial of your continued financial aid eligibility as a result of not meeting Temple’s Satisfactory Academic Progress Standards (SAP), you must complete this form and submit all required supporting documentation.

Important: Appeals submitted without all required documentation will be regarded as incomplete and denied.

1. You must complete both pages of this form. Your appeal will not be processed if all sections and pertinent documentation are not received.

2. Attach all required documentation to support your appeal. Please refer to the Sections (A - C) and Important Notes Regarding SAP Appeals below for more information.

3. If this appeal is approved, you must meet with your academic advisor to define an academic course and credit plan for meeting the University SAP standard for financial aid. The plan information MUST be returned to SFS. Until you do so, you remain ineligible for financial aid despite the appeal approval. The deadline to submit this SAP appeal is 8 weeks from the start of the semester you are appealing for aid.

   a. If the required 67% course completion rate can be achieved within one semester, you will be placed on a single semester of Financial Aid Probation.

   b. If the required 67% course completion rate requires more than one semester, the advisor will work with you to identify your academic course to return to good standing. This plan will be communicated to SFS and you will be placed on a Financial Aid Academic Plan.

4. It is your responsibility to complete your plan. In both instances (one-semester Financial Aid Probation or extended Financial Aid Academic Plan) you are required to complete the plan in the time allotted. Failure to complete the plan as submitted by the Academic Advisor will result in you becoming ineligible for financial aid and no further appeals will be accepted. Grades of F, I, W, WE, WS, MG, NC, AU, NR, and others listed in the Undergraduate/Graduate Bulletin are considered not completing the course (s).

Students are strongly encouraged to submit this form prior to the start of the semester for which you are appealing financial aid reinstatement. Completed appeal forms will usually be evaluated within 10 business days. You will be notified of the decision by email, and on Self-Service Banner (SSB). Complete Sections A – C.

Important Notes Regarding SAP Appeals

- Inability to pass course material is not an extenuating circumstance.
- Readmission under the University’s Academic Forgiveness policy does not remediate your SAP status.
- In all cases, the outcome of your SAP appeal will depend on the nature of the circumstances inhibiting your academic success, the quality of the documentation provided and how well you have demonstrated the ability to progress toward degree completion within a reasonable time limit.
- If you have completed credit hours for your first degree and have exceeded 150%, you will not be approved for additional federal financial assistance, unless you file a separate Maximum time frame appeal.
- Repeat appeals will be denied unless you have new and extenuating circumstances.
- If your appeal is denied, you have the following options:
  - Attend Temple by paying with personal resources or a private student loan. Private student loans require an application and credit approval.
  - If you failed the 67% completion rate measurement, and you have completed future semesters, once your completion rate meets or exceeds the 67% requirement you must notify SFS. You will be eligible for financial aid for the following term, but not prior terms.
