HOW DO I GET SUMMER WORKSTUDY?

WORK STUDY

Students wanting to work during the summer must request it from Student Financial Services. Students can email us at sfs@temple.edu. Please use "Summer Workstudy" in the subject line. You can also contact our work-study line at 215-204-1404 or stop by the SFS Office.

AWARDING INFORMATION

- Student Financial Services will determine a student's eligibility for a summer Federal Work Study award based on remaining annual eligibility. Amounts awarded are determined based on available funding.
- Students not enrolled in summer classes will have attributed earnings posted for the upcoming FAFSA award year.
- Students can only be awarded within their cost of attendance for the given term.

Please Note:

Any changes to a student's registration or aid eligibility could result in a change or complete cancellation of the student's work study award.

If you will be graduating at the end of the Summer I session, you will not be eligible for work study during Summer II.
