FINANCIAL AID PROGRAMS & ELIGIBILITY

Financial aid funding is offered to all eligible students who file the FAFSA. This includes work study and loans. Financial aid funding can vary based on financial need and availability of funding).

*Financial Need is determined as follows:

$$\begin{array}{l} \text{Cost of Attendance (COA)} \\ - \text{Student Aid Index (SAI)} \\ = \text{Financial Need} \end{array}$$

Cost of Attendance (COA) is the total amount it could cost for one academic year and includes: tuition, fees, books, supplies, transportation, housing & food, personal & other miscellaneous expenses, <https://sfs.temple.edu/eligibility/your-financial-aid-offer/cost-attendance>.

Student Aid Index (SAI) is calculated by the Federal Government to determine financial aid eligibility based on the information reported on the FAFSA: <https://sfs.temple.edu/eligibility/your-financial-aid-offer/financial-need>

UNIVERSITY OFFERED AID

- **Federal Work-Study (FWS)** – is a job opportunity offered to degree-seeking students enrolled at least half time. Students are responsible to secure employment through regular application methods, <https://sfs.temple.edu/financial-aid-types/federal-work-study>. **FWS funding is NOT credited to your university account, but rather the opportunity to earn a bi-weekly paycheck from working.**
- **Tuition Remission** – Tuition remission may be offered to you by your graduate department. If it appears as an estimate on your aid offer, we have assumed that you will be receiving it based on information you provided or based on your prior history of receiving it. **This estimate does not constitute an official offer of tuition remission; please confirm your eligibility with your school or college.** If you are receiving tuition remission, your Federal Student loan eligibility could be affected. Failure to notify SFS of your tuition remission funding could result in you owing a balance to the University because of returned Federal Student loan funds. <https://sfs.temple.edu/tuition-billing/tuition-remission>
