

TEMPLE UNIVERSITY- OF THE COMMONWEALTH SYSTEM OF HIGHER
EDUCATION

Amended Final report dated February 5, 2021

1. On April 11, 2020, Temple University – Of The Commonwealth System of Higher Education (“Temple”) signed and returned to the Department of Education the required Certification and Agreement to receive emergency funding through the Coronavirus Aid, Relief and Economic Security (CARES) Act. Temple intends to use no less than 50% of the funds received under Section 18004(a)(1) of the CARES Act to provide Emergency Financial Aid Grants to students.
2. On April 27, 2020, Temple received \$14,370,189 from the Department of Education pursuant to Temple’s Certification and Agreement pertaining to Emergency Financial Aid Grants to Students.
3. As of the date of this report, \$14,721,800 Emergency Financial Aid Grants have been distributed to students under Section 18004(a)(1) of the CARES Act.
4. The estimated total number of Temple students eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act is 25,028.
5. As of the date of this report, 16,461 students have received an Emergency Financial Aid Grant to students under Section 18004(a)(1) of the CARES Act.
6. Temple has identified three methods for students to receive Emergency Financial Aid Grants. First, Temple will directly disburse to eligible Pell grant recipients emergency grants of \$1,000. Second, by May 17, 2020, students completed an application to identify their expenses related to the disruption of campus operations due to coronavirus and, if eligible, received \$800 grants. For remaining funds, eligible students who did not meet the above deadlines can apply for Emergency Financial Aid Grants, up to \$800, through Temple’s Student Affairs Emergency Fund process. These award amounts are intended to approximate a month’s rent and cost of living expenses for university students. Pell eligible students, as those with the most demonstrated financial need, received larger grants.
7. Temple has provided the attached notices to students regarding the availability of this funding, including information about how to set up direct deposit to receive these funds, as well as information on ways to submit grant applications through Temple’s online portal. In addition, within Temple’s portal, there will be reminders of the availability of funding for eligible students.

Dear students:

You have likely heard about the federal government's Coronavirus Aid, Relief and Economic Security (CARES) Act and its provision of Emergency Financial Aid grants for students. We are writing to provide you with important information about CARES Act funds that Temple will be distributing to eligible undergraduate, graduate and professional students in the coming weeks and steps you need to take to receive the funds.

Temple University received about \$14.4 million for students through the federal Higher Education Emergency Relief Fund (HEERF) as part of the CARES Act. **Per federal requirements, only students who are Title IV eligible based on their 2019-2020 Free Application for Federal Student Aid (FAFSA)—meaning those who are eligible for federal student financial aid—may receive these grants.**

While we understand that each and every one of you has experienced an upheaval of your day-to-day life as a result of the COVID-19 pandemic, we want to ensure that students with the most urgent need are the first to receive these emergency funds. For this reason, students who are currently enrolled and received Federal Pell Grants for the spring 2020 semester will be automatically awarded CARES Act grants. **Please note that, based on federal guidelines, this does not apply to Pell Grant recipients who were enrolled in online-only programs prior to the suspension of in-person teaching.**

Pell Grant recipients who are eligible for CARES Act funding but who are not currently signed up for direct deposit are urged to sign up, and will receive additional communication from the Bursar's Office with instructions on how to set up direct deposit to receive the funds online. Please act quickly if you are in this group in order to receive your funds expediently.

Other students who did not receive Pell Grants for the spring 2020 semester but who qualify for federal student financial aid (Title IV) based on their current FAFSA will have the opportunity to request consideration for a CARES Act grant online. If you meet eligibility criteria, a form to request consideration for funds will be available to you on TUportal. Students who meet eligibility criteria will also receive an email notification from Student Financial Services. Students must submit a request for CARES funding via TUportal by **May 15, 2020**, in order to be considered for a CARES Act grant. Per federal guidelines, students who were enrolled in online-only programs prior to the suspension of in-person teaching are not eligible to receive these funds.

CARES funding is intended and should be used for student expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care and child-care expenses.

A list of frequently asked questions about CARES Act grant eligibility and the request for funds process will also be made available on Temple's COVID-19 updates page.

Temple students who are in need of financial support to continue their degrees are able to access funding through a number of avenues. If a student is not eligible for a CARES Act grant, but is still facing financial hardship due to the COVID-19 pandemic, some support is available through the resources listed below.

For Public Posting

- The [Student Emergency Aid Fund](#) provides short-term financial assistance to students who have faced unforeseen circumstances and need support to continue their education.
- The [Broad Street Finish Line Grant](#) program provides grants of \$500 to \$5,000 to students with demonstrated financial need to ensure they can complete their degree programs.
- The [Cherry Pantry](#) remains open and accessible in its temporary location in the Temple University Police Morgan Hall Substation at 1601 Park Ave., on the side of Morgan Hall South.

If you have any questions, please contact Student Financial Services at sfs@temple.edu.

We understand that this has been a difficult and uncertain time, and we are grateful for the strength and dedication of everyone in the Temple community.

Sincerely,

Dear (Student Name),

I hope this email finds you well during this challenging time. I am writing today to let you know how to request a **Temple Cares Act grant**.

Current degree-seeking students enrolled in on-campus classes during the spring 2020 semester who are **eligible to receive federal financial aid** can now complete the survey to request the Temple CARES Act grant. Per federal guidelines, students who were enrolled exclusively online prior to the suspension of in-person teaching are not eligible to receive these funds. Students who meet the federal financial aid criteria, must also demonstrate that they incurred expenses related to the disruption of campus operations.

Complete the survey now to request funding, <https://tuportal.temple.edu/web/home-community/cares-act> and no later than **May 15, 2020**.

CARES funding is intended and should be used for student expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care and child-care expenses.

Dear Temple Student:

You will be receiving emergency relief funding made possible by the CARES Act. As a result, we are reaching out to give you instruction on the safest and most efficient way to receive a refund from Temple University.

Click [TUpay Student Choice Refunds](#) and you will be taken directly into the direct deposit system. Follow the steps below to complete the process.

- Select 'Manage My Student Choice Refunds Account'
- Under 'Refund Method' select 'Edit Refund Method'
- You will receive an 'Authentication Code' in your Temple email account
- Enter the Authentication code number and click submit
- Select 'Bank Account (Direct Deposit)' and enter the required information

The sign-up process is quick and easy. With direct deposit, you will have your refund in days as opposed to weeks with a paper check so be sure to enroll.

We hope you and your family are staying safe.

Thank you,
Office of the Bursar

TEMPLE UNIVERSITY- OF THE COMMONWEALTH SYSTEM OF HIGHER
EDUCATION

Report dated September 25, 2020.

1. On April 11, 2020, Temple University – Of The Commonwealth System of Higher Education (“Temple”) signed and returned to the Department of Education the required Certification and Agreement to receive emergency funding through the Coronavirus Aid, Relief and Economic Security (CARES) Act. Temple intends to use no less than 50% of the funds received under Section 18004(a)(1) of the CARES Act to provide Emergency Financial Aid Grants to students.
2. On April 27, 2020, Temple received \$14,370,189 from the Department of Education pursuant to Temple’s Certification and Agreement pertaining to Emergency Financial Aid Grants to Students.
3. As of the date of this report, \$14,722,800 Emergency Financial Aid Grants have been distributed to students under Section 18004(a)(1) of the CARES Act.
4. The estimated total number of Temple students eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act is 25,262.
5. As of the date of this report, 16,462 students have received an Emergency Financial Aid Grant to students under Section 18004(a)(1) of the CARES Act.
6. Temple has identified three methods for students to receive Emergency Financial Aid Grants. First, Temple will directly disburse to eligible Pell grant recipients emergency grants of \$1,000. Second, by May 17, 2020, students completed an application to identify their expenses related to the disruption of campus operations due to coronavirus and, if eligible, received \$800 grants. For remaining funds, eligible students who did not meet the above deadlines can apply for Emergency Financial Aid Grants, up to \$800, through Temple’s Student Affairs Emergency Fund process. These award amounts are intended to approximate a month’s rent and cost of living expenses for university students. Pell eligible students, as those with the most demonstrated financial need, received larger grants.
7. Temple has provided the attached notices to students regarding the availability of this funding, including information about how to set up direct deposit to receive these funds, as well as information on ways to submit grant applications through Temple’s online portal. In addition, within Temple’s portal, there will be reminders of the availability of funding for eligible students.

May 6, 2020 – sent to the all students except those matriculated at Temple Japan

Dear students:

You have likely heard about the federal government's Coronavirus Aid, Relief and Economic Security (CARES) Act and its provision of Emergency Financial Aid grants for students. We are writing to provide you with important information about CARES Act funds that Temple will be distributing to eligible undergraduate, graduate and professional students in the coming weeks and steps you need to take to receive the funds.

Temple University received about \$14.4 million for students through the federal Higher Education Emergency Relief Fund (HEERF) as part of the CARES Act. **Per federal requirements, only students who are Title IV eligible based on their 2019-2020 Free Application for Federal Student Aid (FAFSA)—meaning those who are eligible for federal student financial aid—may receive these grants.**

While we understand that each and every one of you has experienced an upheaval of your day-to-day life as a result of the COVID-19 pandemic, we want to ensure that students with the most urgent need are the first to receive these emergency funds. For this reason, students who are currently enrolled and received Federal Pell Grants for the spring 2020 semester will be automatically awarded CARES Act grants. **Please note that, based on federal guidelines, this does not apply to Pell Grant recipients who were enrolled in online-only programs prior to the suspension of in-person teaching.**

Pell Grant recipients who are eligible for CARES Act funding but who are not currently signed up for direct deposit are urged to sign up, and will receive additional communication from the Bursar's Office with instructions on how to set up direct deposit to receive the funds online. Please act quickly if you are in this group in order to receive your funds expediently.

Other students who did not receive Pell Grants for the spring 2020 semester but who qualify for federal student financial aid (Title IV) based on their current FAFSA will have the opportunity to request consideration for a CARES Act grant online. If you meet eligibility criteria, a form to request consideration for funds will be available to you on TUportal. Students who meet eligibility criteria will also receive an email notification from Student Financial Services. Students must submit a request for CARES funding via TUportal by **May 15, 2020**, in order to be considered for a CARES Act grant. Per federal guidelines, students who were enrolled in online-only programs prior to the suspension of in-person teaching are not eligible to receive these funds.

CARES funding is intended and should be used for student expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care and child-care expenses.

A list of frequently asked questions about CARES Act grant eligibility and the request for funds process will also be made available on Temple's COVID-19 updates page.

Temple students who are in need of financial support to continue their degrees are able to access funding through a number of avenues. If a student is not eligible for a CARES Act grant, but is still facing financial hardship due to the COVID-19 pandemic, some support is available through the resources listed below.

Dear (Student Name),

I hope this email finds you well during this challenging time. I am writing today to let you know how to request a **Temple Cares Act grant**.

Current degree-seeking students enrolled in on-campus classes during the spring 2020 semester who are **eligible to receive federal financial aid** can now complete the survey to request the Temple CARES Act grant. Per federal guidelines, students who were enrolled exclusively online prior to the suspension of in-person teaching are not eligible to receive these funds. Students who meet the federal financial aid criteria, must also demonstrate that they incurred expenses related to the disruption of campus operations.

Complete the survey now to request funding, <https://tuportal.temple.edu/web/home-community/cares-act> and no later than **May 15, 2020**.

CARES funding is intended and should be used for student expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care and child-care expenses.

May 6, 2020 – sent to Pell recipients that were not signed up for direct deposit

Dear Temple Student:

You will be receiving emergency relief funding made possible by the CARES Act. As a result, we are reaching out to give you instruction on the safest and most efficient way to receive a refund from Temple University.

Click [TUpay Student Choice Refunds](#) and you will be taken directly into the direct deposit system. Follow the steps below to complete the process.

- Select 'Manage My Student Choice Refunds Account'
- Under 'Refund Method' select 'Edit Refund Method'
- You will receive an 'Authentication Code' in your Temple email account
- Enter the Authentication code number and click submit
- Select 'Bank Account (Direct Deposit)' and enter the required information

The sign-up process is quick and easy. With direct deposit, you will have your refund in days as opposed to weeks with a paper check so be sure to enroll.

We hope you and your family are staying safe.

Thank you,
Office of the Bursar

May 8, 2020 – sent to Title IV eligible students matriculated at Temple Japan

Dear students:

You have likely heard about the U.S. federal government's Coronavirus Aid, Relief and Economic Security (CARES) Act and its provision of Emergency Financial Aid grants for students. We are writing to provide you with important information about CARES Act funds that Temple will be distributing to eligible undergraduate, graduate and professional students in the coming weeks and steps you need to take to receive the funds.

Temple University received about \$14.4 million for students through the federal Higher Education Emergency Relief Fund (HEERF) as part of the CARES Act. Per federal requirements, only students who are Title IV eligible based on their 2019-2020 Free Application for Federal Student Aid (FAFSA)—meaning those who are eligible for federal student financial aid—may receive these grants.

While we understand that each and every one of you has experienced an upheaval of your day-to-day life as a result of the COVID-19 pandemic, we want to ensure that students with the most urgent need are the first to receive these emergency funds. For this reason, students who are currently enrolled and

received Federal Pell Grants for the spring 2020 semester will be automatically awarded CARES Act grants. Please note that, based on federal guidelines, this does not apply to Pell Grant recipients who were enrolled in online-only programs prior to the suspension of in-person teaching.

Other students who did not receive Pell Grants for the spring 2020 semester but who qualify for federal student financial aid (Title IV) based on their current FAFSA will have the opportunity to request consideration for a CARES Act grant online. If you meet eligibility criteria, a survey is now available to you on TUportal. Students who meet eligibility criteria have also received an email notification from Student Financial Services. Students must submit a request for CARES funding via TUportal by May 15, 2020, in order to be considered for a CARES Act grant. Per federal guidelines, students who were enrolled in online-only programs prior to the suspension of in-person teaching are not eligible to receive these funds.

CARES funding is intended and should be used for student expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care and child-care expenses.

A list of frequently asked questions about CARES Act grant eligibility and the request for funds process is available on Temple's COVID-19 updates page.

For those of you in need who ultimately do not qualify for the CARES Act grant, our colleagues at Temple Japan will be following up with information about the Temple Japan Student Emergency Aid Fund.

If you have any questions, please email tujfinaid@tuj.temple.edu.

We understand that this has been a difficult and uncertain time, and we are grateful for the strength and dedication of everyone in the Temple community.

TEMPLE UNIVERSITY- OF THE COMMONWEALTH SYSTEM OF HIGHER
EDUCATION

Report dated August 10, 2020.

1. On April 11, 2020, Temple University – Of The Commonwealth System of Higher Education (“Temple”) signed and returned to the Department of Education the required Certification and Agreement to receive emergency funding through the Coronavirus Aid, Relief and Economic Security (CARES) Act. Temple intends to use no less than 50% of the funds received under Section 18004(a)(1) of the CARES Act to provide Emergency Financial Aid Grants to students.
2. On April 27, 2020, Temple received \$14,370,189 from the Department of Education pursuant to Temple’s Certification and Agreement pertaining to Emergency Financial Aid Grants to Students.
3. As of the date of this report, \$14,727,800 Emergency Financial Aid Grants have been distributed to students under Section 18004(a)(1) of the CARES Act.
4. The estimated total number of Temple students eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act is 25,262.
5. As of the date of this report, 16,464 students have received an Emergency Financial Aid Grant to students under Section 18004(a)(1) of the CARES Act.
6. Temple has identified three methods for students to receive Emergency Financial Aid Grants. First, Temple will directly disburse to eligible Pell grant recipients emergency grants of \$1,000. Second, by May 17, 2020, students completed an application to identify their expenses related to the disruption of campus operations due to coronavirus and, if eligible, received \$800 grants. For remaining funds, eligible students who did not meet the above deadlines can apply for Emergency Financial Aid Grants, up to \$800, through Temple’s Student Affairs Emergency Fund process. These award amounts are intended to approximate a month’s rent and cost of living expenses for university students. Pell eligible students, as those with the most demonstrated financial need, received larger grants.
7. Temple has provided the attached notices to students regarding the availability of this funding, including information about how to set up direct deposit to receive these funds, as well as information on ways to submit grant applications through Temple’s online portal. In addition, within Temple’s portal, there will be reminders of the availability of funding for eligible students.

Pell Grant recipients who are eligible for CARES Act funding but who are not currently signed up for direct deposit are urged to sign up, and will receive additional communication from the Bursar's Office with instructions on how to set up direct deposit to receive the funds online. Please act quickly if you are in this group in order to receive your funds expediently.

Other students who did not receive Pell Grants for the spring 2020 semester but who qualify for federal student financial aid (Title IV) based on their current FAFSA will have the opportunity to request consideration for a CARES Act grant online. If you meet eligibility criteria, a form to request consideration for funds will be available to you on TUportal. Students who meet eligibility criteria will also receive an email notification from Student Financial Services. Students must submit a request for CARES funding via TUportal by **May 15, 2020**, in order to be considered for a CARES Act grant. Per federal guidelines, students who were enrolled in online-only programs prior to the suspension of in-person teaching are not eligible to receive these funds.

CARES funding is intended and should be used for student expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care and child-care expenses.

A list of frequently asked questions about CARES Act grant eligibility and the request for funds process will also be made available on Temple's COVID-19 updates page.

Temple students who are in need of financial support to continue their degrees are able to access funding through a number of avenues. received Federal Pell Grants for the spring 2020 semester will be automatically awarded CARES Act grants. Please note that, based on federal guidelines, this does not apply to Pell Grant recipients who were enrolled in online-only programs prior to the suspension of in-person teaching.

Other students who did not receive Pell Grants for the spring 2020 semester but who qualify for federal student financial aid (Title IV) based on their current FAFSA will have the opportunity to request consideration for a CARES Act grant online. If you meet eligibility criteria, a survey is now available to you on TUportal. Students who meet eligibility criteria have also received an email notification from Student Financial Services. Students must submit a request for CARES funding via TUportal by May 15, 2020, in order to be considered for a CARES Act grant. Per federal guidelines, students who were enrolled in online-only programs prior to the suspension of in-person teaching are not eligible to receive these funds.

CARES funding is intended and should be used for student expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care and child-care expenses.

A list of frequently asked questions about CARES Act grant eligibility and the request for funds process is available on Temple's COVID-19 updates page.

For those of you in need who ultimately do not qualify for the CARES Act grant, our colleagues at Temple Japan will be following up with information about the Temple Japan Student Emergency Aid Fund.

If you have any questions, please email tujfinaid@tuj.temple.edu.

We understand that this has been a difficult and uncertain time, and we are grateful for the strength and dedication of everyone in the Temple community.

Sincerely,

TEMPLE UNIVERSITY- OF THE COMMONWEALTH SYSTEM OF HIGHER EDUCATION

Report dated July 20, 2020.

1. On April 11, 2020, Temple University – Of The Commonwealth System of Higher Education (“Temple”) signed and returned to the Department of Education the required Certification and Agreement to receive emergency funding through the Coronavirus Aid, Relief and Economic Security (CARES) Act. Temple intends to use no less than 50% of the funds received under Section 18004(a)(1) of the CARES Act to provide Emergency Financial Aid Grants to students.
2. On April 29, 2020, Temple received \$14,370,189 from the Department of Education pursuant to Temple’s Certification and Agreement pertaining to Emergency Financial Aid Grants to Students.
3. As of the date of this report, \$14,726,200 Emergency Financial Aid Grants have been distributed to students under Section 18004(a)(1) of the CARES Act.
4. The estimated total number of Temple students eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act is 25,262.
5. As of the date of this report, 16,462 students have received an Emergency Financial Aid Grant to students under Section 18004(a)(1) of the CARES Act.
6. Temple has identified three methods for students to receive Emergency Financial Aid Grants. First, Temple will directly disburse to eligible Pell grant recipients emergency grants of \$1,000 (totaling approximately \$6,277,600). Second, by May 17, 2020, students completed an application to identify their expenses related to the disruption of campus operations due to coronavirus and, if eligible, received \$800 grants. For remaining funds, eligible students who did not meet the above deadlines can apply for Emergency Financial Aid Grants, up to \$800, through Temple’s Student Affairs Emergency Fund process. These award amounts are intended to approximate a month’s rent and cost of living expenses for university students. Pell eligible students, as those with the most demonstrated financial need, received larger grants.
7. Temple has provided the attached notices to students regarding the availability of this funding, including information about how to set up direct deposit to receive these funds, as well as information on ways to submit grant applications through Temple’s online portal. In addition, within Temple’s portal, there will be reminders of the availability of funding for eligible students.

EXAMPLE COMMUNICATIONS:

May 6, 2020 – sent to the all students except those matriculated at Temple Japan

Dear students:

You have likely heard about the federal government's Coronavirus Aid, Relief and Economic Security (CARES) Act and its provision of Emergency Financial Aid grants for students. We are writing to provide you with important information about CARES Act funds that Temple will be distributing to eligible undergraduate, graduate and professional students in the coming weeks and steps you need to take to receive the funds.

Temple University received about \$14.4 million for students through the federal Higher Education Emergency Relief Fund (HEERF) as part of the CARES Act. **Per federal requirements, only students who are Title IV eligible based on their 2019-2020 Free Application for Federal Student Aid (FAFSA)—meaning those who are eligible for federal student financial aid—may receive these grants.**

While we understand that each and every one of you has experienced an upheaval of your day-to-day life as a result of the COVID-19 pandemic, we want to ensure that students with the most urgent need are the first to receive these emergency funds. For this reason, students who are currently enrolled and received Federal Pell Grants for the spring 2020 semester will be automatically awarded CARES Act grants. **Please note that, based on federal guidelines, this does not apply to Pell Grant recipients who were enrolled in online-only programs prior to the suspension of in-person teaching.**

Pell Grant recipients who are eligible for CARES Act funding but who are not currently signed up for direct deposit are urged to sign up, and will receive additional communication from the Bursar's Office with instructions on how to set up direct deposit to receive the funds online. Please act quickly if you are in this group in order to receive your funds expediently.

Other students who did not receive Pell Grants for the spring 2020 semester but who qualify for federal student financial aid (Title IV) based on their current FAFSA will have the opportunity to request consideration for a CARES Act grant online. If you meet eligibility criteria, a form to request consideration for funds will be available to you on TUportal. Students who meet eligibility criteria will also receive an email notification from Student Financial Services. Students must submit a request for CARES funding via TUportal by **May 15, 2020**, in order to be considered for a CARES Act grant. Per federal guidelines, students who were enrolled in online-only programs prior to the suspension of in-person teaching are not eligible to receive these funds.

CARES funding is intended and should be used for student expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care and child-care expenses.

A list of frequently asked questions about CARES Act grant eligibility and the request for funds process will also be made available on Temple's COVID-19 updates page.

Temple students who are in need of financial support to continue their degrees are able to access funding through a number of avenues. If a student is not eligible for a CARES Act grant, but is still facing financial hardship due to the COVID-19 pandemic, some support is available through the resources listed below.

May 18, 2020- email from Temple Japan to eligible Pell recipients with bank account information on file

Dear CARES Act Recipient,

I am writing to let you know that the Temple CARES Act grant has been processed for you. This funding was provided by the U.S. Department of Education as a result of the CARES Act. As a federal Pell grant recipient, you have been identified as one of Temple's students with the greatest financial need.

CARES funding is intended and should be used for student expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care and child-care expenses.

Under this Act you will be receiving **\$800 USD**. We will apply the appropriate exchange rate once we receive the funds from main campus and will transfer the funds to the bank account we have on file for you. We expect to complete this process by early June.

The bank information we have on file for you is an account at:

Bank name (embedded data from Netsuite)

TEMPLE UNIVERSITY- OF THE COMMONWEALTH SYSTEM OF HIGHER EDUCATION

Report dated June 24, 2020.

1. On April 11, 2020, Temple University – Of The Commonwealth System of Higher Education (“Temple”) signed and returned to the Department of Education the required Certification and Agreement to receive emergency funding through the Coronavirus Aid, Relief and Economic Security (CARES) Act. Temple intends to use no less than 50% of the funds received under Section 18004(a)(1) of the CARES Act to provide Emergency Financial Aid Grants to students.
2. On April 29, 2020, Temple received \$14,370,189 from the Department of Education pursuant to Temple’s Certification and Agreement pertaining to Emergency Financial Aid Grants to Students.
3. As of the date of this report, \$14,728,000 Emergency Financial Aid Grants have been distributed to students under Section 18004(a)(1) of the CARES Act.
4. The estimated total number of Temple students eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act is 25,262.
5. As of the date of this report, 16,466 students have received an Emergency Financial Aid Grant to students under Section 18004(a)(1) of the CARES Act.
6. Temple has identified three methods for students to receive Emergency Financial Aid Grants. First, Temple will directly disburse to eligible Pell grant recipients emergency grants of \$1,000 (totaling approximately \$6,277,600). Second, by May 17, 2020, students completed an application to identify their expenses related to the disruption of campus operations due to coronavirus and, if eligible, received \$800 grants. For remaining funds, eligible students who did not meet the above deadlines can apply for Emergency Financial Aid Grants, up to \$800, through Temple’s Student Affairs Emergency Fund process. These award amounts are intended to approximate a month’s rent and cost of living expenses for university students. Pell eligible students, as those with the most demonstrated financial need, received larger grants.
7. Temple has provided the attached notices to students regarding the availability of this funding, including information about how to set up direct deposit to receive these funds, as well as information on ways to submit grant applications through Temple’s online portal. In addition, within Temple’s portal, there will be reminders of the availability of funding for eligible students.

EXAMPLE COMMUNICATIONS:

May 6, 2020 – sent to the all students except those matriculated at Temple Japan

Dear students:

You have likely heard about the federal government's Coronavirus Aid, Relief and Economic Security (CARES) Act and its provision of Emergency Financial Aid grants for students. We are writing to provide you with important information about CARES Act funds that Temple will be distributing to eligible undergraduate, graduate and professional students in the coming weeks and steps you need to take to receive the funds.

Temple University received about \$14.4 million for students through the federal Higher Education Emergency Relief Fund (HEERF) as part of the CARES Act. **Per federal requirements, only students who are Title IV eligible based on their 2019-2020 Free Application for Federal Student Aid (FAFSA)—meaning those who are eligible for federal student financial aid—may receive these grants.**

While we understand that each and every one of you has experienced an upheaval of your day-to-day life as a result of the COVID-19 pandemic, we want to ensure that students with the most urgent need are the first to receive these emergency funds. For this reason, students who are currently enrolled and received Federal Pell Grants for the spring 2020 semester will be automatically awarded CARES Act grants. **Please note that, based on federal guidelines, this does not apply to Pell Grant recipients who were enrolled in online-only programs prior to the suspension of in-person teaching.**

Pell Grant recipients who are eligible for CARES Act funding but who are not currently signed up for direct deposit are urged to sign up, and will receive additional communication from the Bursar's Office with instructions on how to set up direct deposit to receive the funds online. Please act quickly if you are in this group in order to receive your funds expediently.

Other students who did not receive Pell Grants for the spring 2020 semester but who qualify for federal student financial aid (Title IV) based on their current FAFSA will have the opportunity to request consideration for a CARES Act grant online. If you meet eligibility criteria, a form to request consideration for funds will be available to you on TUportal. Students who meet eligibility criteria will also receive an email notification from Student Financial Services. Students must submit a request for CARES funding via TUportal by **May 15, 2020**, in order to be considered for a CARES Act grant. Per federal guidelines, students who were enrolled in online-only programs prior to the suspension of in-person teaching are not eligible to receive these funds.

CARES funding is intended and should be used for student expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care and child-care expenses.

A list of frequently asked questions about CARES Act grant eligibility and the request for funds process will also be made available on Temple's COVID-19 updates page.

Temple students who are in need of financial support to continue their degrees are able to access funding through a number of avenues. If a student is not eligible for a CARES Act grant, but is still facing financial hardship due to the COVID-19 pandemic, some support is available through the resources listed below.

For Public Posting

- The [Student Emergency Aid Fund](#) provides short-term financial assistance to students who have faced unforeseen circumstances and need support to continue their education.
- The [Broad Street Finish Line Grant](#) program provides grants of \$500 to \$5,000 to students with demonstrated financial need to ensure they can complete their degree programs.
- The [Cherry Pantry](#) remains open and accessible in its temporary location in the Temple University Police Morgan Hall Substation at 1601 Park Ave., on the side of Morgan Hall South.

If you have any questions, please contact Student Financial Services at sfs@temple.edu.

We understand that this has been a difficult and uncertain time, and we are grateful for the strength and dedication of everyone in the Temple community.

Sincerely,

May 7, 2020 – sent to Title IV eligible students and including those matriculated at Temple Japan

Dear (Student Name),

I hope this email finds you well during this challenging time. I am writing today to let you know how to request a **Temple CARES Act grant**.

Current degree-seeking students enrolled in on-campus classes during the spring 2020 semester who are **eligible to receive federal financial aid** can now complete the survey to request the Temple CARES Act grant. Per federal guidelines, students who were enrolled exclusively online prior to the suspension of in-person teaching are not eligible to receive these funds. Students who meet the federal financial aid criteria, must also demonstrate that they incurred expenses related to the disruption of campus operations.

Complete the survey now to request funding, <https://tuportal.temple.edu/web/home-community/cares-act> and no later than **May 15, 2020**.

May 6, 2020 – sent to Pell recipients that were not signed up for direct deposit

Dear Temple Student:

You will be receiving emergency relief funding made possible by the CARES Act. As a result, we are reaching out to give you instruction on the safest and most efficient way to receive a refund from Temple University.

Click [TUpay Student Choice Refunds](#) and you will be taken directly into the direct deposit system. Follow the steps below to complete the process.

- Select 'Manage My Student Choice Refunds Account'
- Under 'Refund Method' select 'Edit Refund Method'
- You will receive an 'Authentication Code' in your Temple email account
- Enter the Authentication code number and click submit
- Select 'Bank Account (Direct Deposit)' and enter the required information

The sign-up process is quick and easy. With direct deposit, you will have your refund in days as opposed to weeks with a paper check so be sure to enroll.

We hope you and your family are staying safe.

Thank you,
Office of the Bursar

Subject: Temple CARES Act Funding

Dear (student name),

I hope this email finds you well during this challenging time. I am writing to let you know that the \$800 Temple CARES Act grant has been processed for you. This funding was provided by the U.S. Department of Education as a result of the CARES Act.

CARES funding is intended and should be used for student expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care and child-care expenses.

The Temple CARES Act grant has applied to your spring semester account and will process as a refund within 2-3 business days directly to you. You can track the status of your refund in your TUpay account (access TUportal > select the Costs and Aid tab > select TUpay > select Student Choice Refunds).

TEMPLE UNIVERSITY- OF THE COMMONWEALTH SYSTEM OF HIGHER EDUCATION

Report dated May 11, 2020.

1. On April 11, 2020, Temple University – Of The Commonwealth System of Higher Education (“Temple”) signed and returned to the Department of Education the required Certification and Agreement to receive emergency funding through the Coronavirus Aid, Relief and Economic Security (CARES) Act. Temple intends to use no less than 50% of the funds received under Section 18004(a)(1) of the CARES Act to provide Emergency Financial Aid Grants to students.
2. On April 29, 2020, Temple received \$14,370,189 from the Department of Education pursuant to Temple’s Certification and Agreement pertaining to Emergency Financial Aid Grants to Students.
3. As of the date of this report, no Emergency Financial Aid Grants have been distributed to students under Section 18004(a)(1) of the CARES Act.
4. The estimated total number of Temple students eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act is 25,262.
5. As of the date of this report, no students have received an Emergency Financial Aid Grant to students under Section 18004(a)(1) of the CARES Act.
6. Temple has identified three methods for students to receive Emergency Financial Aid Grants. First, Temple will directly disburse to eligible Pell grant recipients emergency grants of \$800 (totaling approximately \$6,277,600). Second, by May 15, 2020, students may complete an application to identify their expenses related to the disruption of campus operations due to coronavirus and those awards are expected to range from approximately \$400 to \$800. For any remaining funds, eligible students can apply for Emergency Financial Aid Grants, up to \$800, through Temple’s Student Affairs Emergency Fund process.
7. Temple has provided the attached notices to students regarding the availability of this funding, including information about how to set up direct deposit to receive these funds, as well as information on ways to submit grant applications through Temple’s online portal. In addition, within Temple’s portal, there will be reminders of the availability of funding for eligible students.

EXAMPLE COMMUNICATIONS:

May 6, 2020 – sent to the all students except those matriculated at Temple Japan

Dear students:

You have likely heard about the federal government's Coronavirus Aid, Relief and Economic Security (CARES) Act and its provision of Emergency Financial Aid grants for students. We are writing to provide you with important information about CARES Act funds that Temple will be distributing to eligible undergraduate, graduate and professional students in the coming weeks and steps you need to take to receive the funds.

Temple University received about \$14.4 million for students through the federal Higher Education Emergency Relief Fund (HEERF) as part of the CARES Act. **Per federal requirements, only students who are Title IV eligible based on their 2019-2020 Free Application for Federal Student Aid (FAFSA)—meaning those who are eligible for federal student financial aid—may receive these grants.**

While we understand that each and every one of you has experienced an upheaval of your day-to-day life as a result of the COVID-19 pandemic, we want to ensure that students with the most urgent need are the first to receive these emergency funds. For this reason, students who are currently enrolled and received Federal Pell Grants for the spring 2020 semester will be automatically awarded CARES Act grants. **Please note that, based on federal guidelines, this does not apply to Pell Grant recipients who were enrolled in online-only programs prior to the suspension of in-person teaching.**

Pell Grant recipients who are eligible for CARES Act funding but who are not currently signed up for direct deposit are urged to sign up, and will receive additional communication from the Bursar's Office with instructions on how to set up direct deposit to receive the funds online. Please act quickly if you are in this group in order to receive your funds expediently.

Other students who did not receive Pell Grants for the spring 2020 semester but who qualify for federal student financial aid (Title IV) based on their current FAFSA will have the opportunity to request consideration for a CARES Act grant online. If you meet eligibility criteria, a form to request consideration for funds will be available to you on TUportal. Students who meet eligibility criteria will also receive an email notification from Student Financial Services. Students must submit a request for CARES funding via TUportal by **May 15, 2020**, in order to be considered for a CARES Act grant. Per federal guidelines, students who were enrolled in online-only programs prior to the suspension of in-person teaching are not eligible to receive these funds.

CARES funding is intended and should be used for student expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care and child-care expenses.

A list of frequently asked questions about CARES Act grant eligibility and the request for funds process will also be made available on Temple's COVID-19 updates page.

Temple students who are in need of financial support to continue their degrees are able to access funding through a number of avenues. If a student is not eligible for a CARES Act grant, but is still facing financial hardship due to the COVID-19 pandemic, some support is available through the resources listed below.

Dear (Student Name),

I hope this email finds you well during this challenging time. I am writing today to let you know how to request a **Temple CARES Act grant**.

Current degree-seeking students enrolled in on-campus classes during the spring 2020 semester who are **eligible to receive federal financial aid** can now complete the survey to request the Temple CARES Act grant. Per federal guidelines, students who were enrolled exclusively online prior to the suspension of in-person teaching are not eligible to receive these funds. Students who meet the federal financial aid criteria, must also demonstrate that they incurred expenses related to the disruption of campus operations.

Complete the survey now to request funding, <https://tuportal.temple.edu/web/home-community/cares-act> and no later than **May 15, 2020**.

May 6, 2020 – sent to Pell recipients that were not signed up for direct deposit

Dear Temple Student:

You will be receiving emergency relief funding made possible by the CARES Act. As a result, we are reaching out to give you instruction on the safest and most efficient way to receive a refund from Temple University.

Click [TUpay Student Choice Refunds](#) and you will be taken directly into the direct deposit system. Follow the steps below to complete the process.

- Select 'Manage My Student Choice Refunds Account'
- Under 'Refund Method' select 'Edit Refund Method'
- You will receive an 'Authentication Code' in your Temple email account
- Enter the Authentication code number and click submit
- Select 'Bank Account (Direct Deposit)' and enter the required information

The sign-up process is quick and easy. With direct deposit, you will have your refund in days as opposed to weeks with a paper check so be sure to enroll.

We hope you and your family are staying safe.

Thank you,
Office of the Bursar
