

Health Sciences Center 2025-2026 Graduate/Professional Financial Aid Fact Sheet

- **Review your Award Letter CAREFULLY.** Your award letter and any revisions to your initial aid package can be found by accessing your TUportal account, <https://tuportal.temple.edu>. Select the Self-Service Banner link, then the Financial Aid option.
- **Changes to your enrollment status may affect your financial aid award.** Your initial financial aid award is based on your matriculation status at Temple and your projected enrollment status as a full-time student. Before you change your enrollment status, please review your decision with a member of the Student Financial Services (SFS) counseling staff.
- **Changes in your housing status may affect your financial aid award.** It is important that you notify SFS of any change in your housing status (living with parents or a relative, living in a residence hall, or living off campus).
- **Report additional funding sources not listed on your award letter, including Tuition Remission, University, or non-University awards such as Fellowships, Scholarships, and Grants to Student Financial Services (SFS).** These awards may affect your current financial aid package and eligibility for funding, (i.e., Federal Direct Student Loans). If your financial aid package changes you will be notified via your TEmail account when the revised award letter is ready to view.
- **The Temple University Academic Progress Guidelines are online at <https://sfs.temple.edu/policies/satisfactory-academic-progress-sap>.** Academic records are reviewed at the end of every semester to determine current academic progress. Future eligibility for financial aid is based on maintaining satisfactory academic progress. Please read the guidelines carefully to prevent loss of future aid eligibility. We advise you to review your situation with our counseling staff if you are unsure of your academic progress status.
- **Codes listed on your award letter explain your aid status when it was produced.**
 - A, WA** = “Accepted” This is the amount that will be applied to your university account at the beginning of each semester.
 - O** = This is an Offer/Estimate only (Students loans will display with an Offered status). You must accept the award offered to receive the funds.

Note: Financial Aid funds will not be applied to your university account until all requested paperwork has been received.
- The financial aid listed on the award letter is for the 2025-2026 academic year only. You must reapply for financial aid each year by completing the Free Application for Federal Student Aid (FAFSA) <https://studentaid.gov/h/apply-for-aid/fafsa>. You may file your FAFSA as early as October 1st each year. **Temple University’s priority deadline for filing the FAFSA is February 1st.**

FINANCIAL AID PROGRAMS & ELIGIBILITY

The following financial aid programs are awarded to eligible students who demonstrate Financial Need as determined by the 2025-26 FAFSA. Financial aid packages will vary based on number of applications received by the University’s published deadline, number of students applying, availability of funds; as well as institutional, federal, state, and University guidelines.

*Financial Need is determined as follows:

$$\begin{array}{l} \text{Cost of Attendance (COA)} \\ - \text{Student Aid Index (SAI)} \\ = \text{Financial Need} \end{array}$$

The Cost of Attendance (COA) is the estimated total amount it will cost you to attend school for one academic year and includes tuition, fees, allowance for books, supplies, transportation, housing & food, personal & miscellaneous expenses. The Student Aid Index (SAI) is used to determine your eligibility for financial aid. This number is a result of the financial information you provided on your 2025-26 FAFSA application. The formula used to calculate the SAI was established by the Department of Education. Detailed information about the SAI calculation can be found at www.studentaid.gov.

UNIVERSITY AWARDED AID

- **Federal Work-Study (FWS)** – FWS may be awarded to matriculated students enrolled at least half-time. FWS is paid directly to you via paycheck for each week you work and is limited each semester to the amount on your award letter. **FWS awards are NOT credited to your university account.** Employment opportunities are available for review at <https://sfs.temple.edu/financial-aid-types/federal-work-study>. If you plan on working for an off-campus employer, you must contact the Work Study Coordinator at 215.204.1404.

- **Tuition Remission** – Tuition remission may be awarded to you by your graduate department. As soon as a decision is made regarding your eligibility for tuition remission, please contact Student Financial Services. If it appears as an estimate on your award letter, we have assumed that you will be receiving it based on information you provided on your graduate enrollment information form or based on your prior history of receiving it. **This estimate does not constitute an offer of tuition remission; please confirm your eligibility with your school or college.** If you are receiving tuition remission, your Federal Student loan eligibility could be affected. Failure to notify SFS of your tuition remission award could result in you owing a balance to the University because of returned Federal Student loan funds.

STUDENT LOAN OPTIONS

- The **Federal Student Loan** included in your award letter is based on information you supplied on your FAFSA. You are responsible for paying any interest that accrues on an Unsubsidized Federal Student Loan. The amount of Federal Student Loan eligibility on your award letter will be “offered”, (O). **PLEASE NOTE: Graduate and professional students are only eligible to receive an Unsubsidized Federal Student Loan.**
- **For loan funds to be applied to your student account, you must take the action of accepting the offered amount online through your [TUportal account](#).** In addition, you must maintain at least half-time enrollment (4.5 credits) to retain Federal Student Loan eligibility.
- **Student Loan Approval & Notification** - Student Financial Services will originate your Federal Student Loan electronically. Once the loan is approved, you will receive a notice of guarantee/approval from the US Department of Education.
- **Federal Student Loan borrowers must complete a Master Promissory Note, an Entrance Counseling, and an Annual Student Loan Acknowledgment** by going online at www.studentaid.gov. For first time borrowers, these three steps **must be completed** for loan funds to be disbursed to your student account. Returning borrowers must complete the acknowledgment. The MPN only needs to be completed again if your current master promissory note has expired.
- **If you wish to reduce the amount of your Student Loan, access your award online via [TUportal](#) and please change the amounts indicated to the amount that you want.** Student Financial Services will reduce your approval amounts prior to disbursement if possible (at least two weeks notification necessary prior to disbursement).
- **The Federal Direct Graduate PLUS Loan is an option for students that can be explored at www.studentaid.gov.** For approved borrowers, the SFS Office is able to certify up to a student’s total [cost of attendance](#) for the year with even disbursements (fall and spring).
- **A Private Student Alternative Loan is an option for students that can be explored at <https://sfs.temple.edu/financial-aid-types/private-student-loans>**
