

Summer 2026 Non-Matriculated Student Direct Student Loan Eligibility Exception Request

Student Name (please print): _____ **TUId:** _____

Eligibility Requirements:

- All students who wish to borrow Direct Student Loan funds must have a completed 2025-2026 Free Application for Federal Student Aid (FAFSA) on file with Temple University.
- Non-Matriculated students who are required to complete courses as part of *admission/entry* into a degree-granting program at **Temple University** have one year (12 months) of eligibility to borrow a Federal Direct Student Loan and/or Parent Loan for Undergraduate Students (PLUS) based on continual enrollment.
- To qualify for Federal Direct Loan funding, a Non-Matriculated student must be enrolled at least half-time during the summer session(s). Students only enrolled in courses in one of the 4 week summer sessions do not qualify for federal funding.
- A Non-Matriculated Graduate Student cannot borrow a GradPLUS loan.
- New loan borrowers must complete the Master Promissory Note (MPN) and Entrance Loan Counseling online at www.studentloans.gov. You will need the PIN number used to file the FAFSA to complete this information.
- There are limits to when and how we can adjust loans. We cannot increase, reinstate, or create federal loan records for the Summer I if the student is not registered for Summer II and the first summer term is over. Please review the [academic calendar](#) for the end-of-semester dates. We also cannot adjust loans in this manner after the end of Summer.
- Summer loan eligibility may be limited by any federal loans borrowed in the 2025-26 year and are subject to the federal limits.

Student Certification: I certify that the credits I intend to enroll for the Summer 2026 session(s) are requirements for admission into a degree program. If I adjust registration after summer financial aid is processed, I will contact the Office of Student Financial Services to review eligibility for that funding.

Total number Summer I 2026 credits = _____ **Total number Summer II 2026 credits =** _____

Student Signature: _____ **Date:** _____

Electronic signatures are not accepted. Please print and sign with an ink pen.
