ADDITIONAL LOAN OPTIONS

- Federal Direct Parent Loan for Undergraduate Students (Parent PLUS Loan)
- Private Student Loan
FEDERAL DIRECT PARENT LOAN FOR UNDERGRADUATE STUDENTS (PLUS)

- To receive a Parent PLUS loan, you must:
  - Be the biological or adoptive parent (or, in some cases, the stepparent) of a dependent undergraduate student enrolled in at least half-time status.
  - Be approved of Plus credit check.
  - Meet the general eligibility requirements for federal student aid.
- Fixed interest rate for the 2022-23 academic year of 7.54%.
- Resource on what is considered adverse history in the Plus credit check.

- Are there any fees for the Parent PLUS Loan?
  - For Direct PLUS Loans disbursed on or after 10/1/20 and before 10/1/23, there is a loan fee of 4.228% taken out of the loan at disbursement.
- Note: Grandparents (unless they have legally adopted the dependent student) and legal guardians are not eligible to receive Parent PLUS loans.
- Request a deferment on the application to defer payments until 6 months after your child graduates, drops to less than half-time status, or leaves school.
HOW TO APPLY FOR THE PARENT PLUS LOAN

- Parents can log into studentaid.gov with their Federal Student Aid ID.
- The Direct PLUS Loan Application:
  - Input an amount. PLUS loan applications are certified by Temple University for the academic year (fall and spring), so plan accordingly.
  - If a parent selects the ‘maximum’ amount option on the application, Temple will certify an approved plus loan application up to the student’s maximum Cost of Attendance budget (minus other financial assistance the student is receiving).
- The Direct PLUS loan application:
  - Designate whether the school pays any credit balance to the student or to the parent borrower (in a scenario where you apply for an amount greater than your account balance).
  - Request a deferment (for repayment) while the student is in school (enrolled in at least half-time status).
- Master Promissory Note for PLUS loan is required.
  - PLUS Credit Counseling may be required in certain circumstances.
PARENT LOAN FOR UNDERGRADUATE STUDENTS (PLUS)

- Be the biological or adoptive parent (or in some cases, the stepparent) of a dependent undergraduate student enrolled at least half-time at an eligible school;
- Not have an adverse credit history (unless you meet certain additional requirements); and
- Meet the general eligibility requirements for federal student aid
- For more information: https://studentaid.gov/understand-aid/types/loans/plus/parent
OPTIONS FOR PARENTS DENIED THE PARENT PLUS LOAN DUE TO ADVERSE CREDIT HISTORY

- Obtain an **endorser** who does not have an adverse credit history. An endorser is someone who agrees to repay the parent PLUS loan if you do not repay it. The endorser cannot be the child on whose behalf you are borrowing.
  - Parents who obtain an endorser must also complete PLUS Credit Counseling through studentaid.gov (in additional to MPN).

- Appeal PLUS credit check: Documenting to the satisfaction of the U.S. Department of Education that there are extenuating circumstances relating to your adverse credit history.
  - More information on this option is available at: https://studentaid.gov/understand-aid/types/loans/plus/parent
  - Parents who receive an approved appeal must also complete PLUS Credit Counseling through studentaid.gov (in addition to MPN).
If your parent is denied the Parent Plus loan, a dependent Undergraduate student can increase their unsubsidized loan for the academic year in an amount based on their grade level.

- Allows dependent Undergraduate students to receive same federal direct loan amounts as an Independent student for the academic year.

If unsubsidized loan is increased, a student cannot have another parent apply for the Parent Plus loan.

Steps if your parent is denied and you request SFS increase your federal unsubsidized loan:

- Complete the 2022-23 Undergraduate Loan Change Form (available soon).
- An email from the parent borrower is also required confirming they do not wish to appeal the credit decision or seek an endorser. Send to sfs@temple.edu with student’s 9 digit TU ID.
PRIVATE STUDENT LOANS

- **Non-federal loans** made by a lender such as a bank, credit union, or state agency.
- **Eligibility, interest rates, and terms and conditions** set by the lender.
  - Approval and interest rates also determined by the **borrower’s and co-signer’s credit ratings**.
- Check for any **prepayment penalties** and when **loan repayment** will begin.
- A good resource for federal vs. private loans: [https://studentaid.gov/understand-aid/types/loans/federal-vs-private](https://studentaid.gov/understand-aid/types/loans/federal-vs-private)

- Students apply with the private lender.
- SFS certifies private student loan applications for the upcoming academic year beginning in July (once official tuition rates for the year are confirmed).
- Private loans are **processed for the full year**, meaning any amount on the loan application will be **split equally between fall and spring**.
- The maximum that can be borrowed is a student’s Cost of Attendance budget minus all other financial aid awarded.

ENTER FINANCIAL AID AWARDED – EXAMPLE USING TUITION CALCULATOR
In this example, $10,000 is the amount needed in additional loan funding for the combined fall and spring semesters.

If Parent applies for a Parent PLUS Loan in this example, the gross amount of PLUS loan needed for the academic year is $10,442 (to accommodate for the origination fee of 4.228%).

SFS must certify loan funding for the Fall and Spring semesters combined. Any amount that a parent (through the PLUS loan) or student (through a private loan) is applying for will be split equally between fall and spring.

Official 2022-23 tuition rates available in mid-July.
HOW TO REQUEST A CHANGE TO AN ACCEPTED SUBSIDIZED OR UNSUBSIDIZED LOAN

● Complete the Undergraduate Federal Loan Change Request form
● 2022-23 form is available on the SFS Forms site, sfs.temple.edu/forms.
● Please include:
  ○ Name
  ○ TU ID
  ○ Check off the applicable box
  ○ Include the current accepted amount and new requested amount.
  ○ Additional information may be required for request to increase the unsubsidized loan due to a Parent Plus denial.
HOW TO REQUEST A CHANGE TO A PARENT PLUS LOAN APPLICATION

- Submit the Parent PLUS Loan Adjustment form.
  - If the parent’s Plus credit check has not expired, they can use this form alone to request an increase.
- The 2022-23 form will be available on the SFS Forms site, sfs.temple.edu/forms.
- If a parent has received a Parent Plus loan by obtaining an endorser, they cannot increase the plus loan through the form alone. They and their endorser must submit another endorsed application through studentaid.gov, and then submit the Parent PLUS Loan Adjustment form to SFS.
- If a parent’s Plus credit check has expired, they will need to apply again through studentaid.gov. Once there is another approved Parent Plus application with an unexpired credit check, they can submit the Parent Plus loan Adjustment form to SFS.
- Requests to decrease or cancel a Parent Plus loan can be submitted through the Parent PLUS Loan Adjustment form.
WHY ARE MY MASTER PROMISSORY NOTE AND ENTRANCE COUNSELING STILL IN REQUIRED STATUS ON TU PORTAL?

- First-time borrowers at Temple University are required to complete a Master Promissory Note and Entrance Counseling session on studentaid.gov.
- SFS will be transferring over records of completed MPN and Entrance Counseling in July.
  - If you received a confirmation email from the Department of Education that these are complete, you should see these requirements satisfied on TU Portal in July.
HOW DO I RECEIVE A REFUND FROM MY LOAN FOR EDUCATIONAL RELATED EXPENSES?

- Does your financial aid exceed your account balance?
- Financial aid for the semester will begin to disburse approximately two business days prior to the official start of the semester.
- All financial aid requirements and enrollment requirements must be met for aid to disburse.
- If your financial aid (which includes any loan funding) results in a credit balance on your account, the credit will be released as a refund.

- SFS recommends adding Direct Deposit as your refund method of choice, as this is the fastest way to receive any refund once it has been released.
- Note, electronic bank transfer through Direct Deposit can take up to 2 to 4 business days.
- To add Direct Deposit:
  - Log into TU Portal.
  - Click on the Cost and Aid tab.
  - Click on TU Pay.
  - Click on Student Choice Refunds.
  - Specific instructions are available through the Student Choice Refunds page.
