

Summer 2024- Federal Work-Study Request Form

Students must complete this form to request summer work study if they will be **enrolled** in courses for the Summer I or Summer II sessions. SFS will evaluate the student's eligibility and award amounts based on available funding. If you are using loan funding for Summer Session it will affect the amount of work-study you can receive as we cannot exceed the cost of attendance budget for Summer.

****Please note that having a work study award on your account does not guarantee that it can be used towards an internship position. Work-study awards off-campus can only be used towards Temple contracted non-profit organizations. Please email us at wkstudy@temple.edu to verify non-Temple employers. ****
