

2015-16 Dependent Student Verification Worksheet

Your application was selected for review in a process called “verification.” In this process, Temple University will be comparing information from your FAFSA application with copies of your and your parent’s 2014 IRS Tax Return Transcripts, W2 forms, and/or other financial documents. The law states we have the right to ask you for this information before awarding Federal Aid. If there are differences between your FAFSA application information and your financial documents, you or Temple University may need to make corrections electronically or by using your Student Aid Report (SAR).

Complete this verification worksheet and submit, along with all required documents, to Student Financial Services (SFS) **immediately**, as Federal and/or University need-based aid awarded is estimated until this process is complete. Failure to complete verification in a timely manner may lead to cancellation of aid. Upon review of the documentation you submit, additional information may be required; notification of such will be made as quickly as possible and may necessitate checking your Temple email account. You will be notified if FAFSA corrections result in changes/cancellation of award(s).

1. Submit the completed 2015-2016 Dependent Verification Form. Make sure the form is **SIGNED** by both the student and parent. This form is four-sided and needs to be filled out completely.
 - If the answer is zero or if the question does not apply to you, write “0”, **do not leave blank**.

2. Submit **2014 IRS Tax Return Transcript(s)** and **W2 forms** for both student and parent(s), if filed. As per federal regulations, we can no longer accept copies of the filed federal tax return unless it is specifically requested by the SFS office.
 - You can obtain a “Federal Tax Return Transcript” by calling the IRS at 1-800-908-9946 or by visiting www.irs.gov and clicking on the “Get a Transcript of your Tax Records” link. Make sure to request the “IRS Tax Return Transcript” and **NOT the “IRS Tax Account Transcript”**.
 - In most cases, a 2014 IRS Tax Return Transcript may be requested as soon as the IRS processes the tax return. Generally, applicants should receive the transcript within 5 to 10 calendar days after their request (ordering online will likely be faster than by mail or telephone).
 - The best way to verify income is by using the **IRS Data Retrieval Tool** (IRS DRT) that is part of FAFSA on the web at www.FAFSA.ed.gov.
 - If you reported information for Schedule C (Profit or Loss From Business), an IRS Tax Return Transcript will be required even with IRS Data Retrieval usage.
