

## Prior Semester Balance Private Loan Certification Request Form

**Note:** Students may use this form to request the certification of a private/alternative loan to cover a prior semester balance. **Not all lenders allow students to borrow funds to cover prior semester balances.** SFS will evaluate the student's request and certify the private/alternative loan if the student is eligible per the lender's requirements.

Please note that **SFS will only certify the loan up to the balance currently owed to Temple University, and students will not receive a refund from prior semester loans.** For example, if the student is approved for a \$10,000 loan, but owes the University \$7,500, SFS will certify the loan for \$7,500 only.
