FALLGR

2022-2023 Confirmation of Fall Graduation Date Form

<u>Note:</u> Students may submit a copy of their completed **Graduation Application** instead of completing this form. (The Graduation Application can be found on the student's TUPortal).

If you are a graduating senior and only attending one semester, your Federal Direct Loans may be prorated based on the number of credits for which you are enrolled. This means that you may not be eligible to receive your maximum annual loan limit.

Once this form is processed, a Revised Financial Aid Offer notification will be sent to the student's TUMail account. We suggest you review both the financial aid offer and Student Account Current Detail for any changes. Both are available on the Costs & Aid tab of TUPortal.
